

Jolly Phonics provides a thorough foundation for reading and writing. It uses the **synthetic phonics** method of teaching letters and sounds in a way that is fun and multi-sensory. The program is aimed at the pre-primary to year 2 level but can also be used by middle to upper primary teachers to consolidate the foundation skills for reading and spelling.

All the *Jolly Phonics* material is suitable for use in school. It is designed for pre-primary to Year 2 but is also suitable for older students who require a structured phonics approach. Many of the resources are also well suited to use at home.

Independent studies have reported excellent results in students taught with the *Jolly Phonics* approach.

This product presentation will give a brief overview of the *Jolly Phonics* resources and some guidance regarding how to use the products effectively.

Classroom teachers, LSC's and special education teachers as well as interested parents should attend this free product presentation seminar.

Presenter: Gemma Boyle, BA (Hons), MPsych (Ed. & Dev.), Dip. Ed. (Spec.Ed.) Gemma is a Psychologist at DSF Literacy and Clinical Services where she assesses children and adults with learning difficulties and disabilities. She also consults with parents and educators regarding the nature of Specific Learning Disabilities and how to improve literacy outcomes. Gemma is keen to maintain the link between theory and practice in order to provide evidence-based strategies for those experiencing literacy difficulties.
