

EDUCATIONAL ORGANISATION MEMBERSHIP APPLICATION FORM

Annual Membership runs from January 1st through to December 31st each year and provides your school with the following:

- Two nominated representatives from the school will be able to access the DSF library and borrow resources on behalf of all school staff.
- Professional development workshops, specifically designed to meet the needs of your school community provided at a discounted hourly rate.
- School staff participating in any of the DSF workshops will be entitled to attend sessions at the reduced member rate.
- The school will receive additional copies of The Bulletin, currently distributed three times a year. The Bulletin provides up-to-date information on best practice teaching of literacy and numeracy, suggested strategies in response to identified learning difficulties, program reviews and summaries of current research.

To become an Educational Organisation Member please complete the form below and post or fax it through to the Foundation along with the membership fee of \$180.00 (GST inc).
